

In these calamitous times, faithful Catholics must take their devotional lives to the next level. Prayer before the Blessed Sacrament and acts of reparation can save our souls and those of our loved ones, and merit the graces necessary for the Pope, in union with the bishops, to consecrate Russia to Our Lady's Immaculate Heart.

The Fatima Center is honored to present a livestream of Holy Hours and Night Adoration from Holy Face of Jesus Church in St. Catharines, Ontario, Canada on the First Friday and First Saturday of July through November.
